DRAFT INDIA ARMY ORDER.

No. 2059/42. Applications from Indian soldiers and their relations for discharge or repatriation to India on compassionate grounds.

Applications for discharge on compassionate grounds received by units and record offices will be scrutinised and if the contents appear to be reasonably correct, they will invariably be referred to Deputy Commissioners/ Collectors of the district concerned for verification of the circumstances stated therein and for an opinion as to whether discharge is warranted. The machinery employed in making the investigation, viz., District Soldiers' Board, or civil officials, etc., is left to the discretion of the Deputy Commissioner/Collector.

2. On receipt of an application, the Deputy Commissioner/ Collector will cause the necessary investigation to be made and then furnish a report to the unit stating whether the circumstances contained in the application are true and the discharge is recommended on extreme compassionate grounds. Only cases of genuine hardship in which the family cannot carry on without the help of the soldier will be recommended by civil authorities. The report will be signed by the Deputy Commissioner/Collector himself in the case of Viceroy's commissioned officers, while, in the case of Indian other ranks, it may be signed by a gazetted officer on his behalf.

Nevertheless, the final judge as to whether a man shall be discharged is the competent military authority.

3. Similarly, applications for repatriation to India will be forwarded to Deputy Commissioners/Collectors for investigation and transmission to Headquarters overseas forces, as required by I.A.C. 286/1941.

4. All Provincial Governments and Chief Commissioners have been asked to acquaint the Deputy Commissioners/ Collectors with this procedure and to issue necessary instructions to them.
